Who we are

Ember & Clove is an online women's clothing store selling comfortable, easy-to-style pieces that still look put-together: knitwear, dresses, skirts, tops, outerwear, shoes and a few accessories, in warm, earthy tones.

Name story. Ember is the warmth that lingers after the fire. Clove is the warm spice palette the collection is built around: coffee, caramel, oat and burgundy.

Positioning

What we sell	Everyday women's clothing and shoes: cozy knits, easy dresses, soft layers, boots and heels.
How it should feel	Warm, soft, effortless. Never loud, never "sexy", never fussy.
Promise	Pieces that are comfortable, easy to put together and made for real life: work, errands, dinner, weekends.
Where	Online only, at emberandclove.com. US customers.

Who we're for

Women roughly 25–45 who want to look put-together without trying hard. They work regular jobs, have full days and want outfits that work from morning to evening with little fuss.

- Values comfort and fit over trends; buys fewer, better-fitting things.
- Dresses for real occasions: the office, errands, dinner out, holidays and family photos.
- Likes warm neutrals and jewel tones; wants pieces that mix and match.
- Shops on her phone; discovers outfits on social media and search.

Look and feel

Logo

The E&C monogram: cream serif letters inside a thin cream ring on terracotta. Use it on a terracotta background, square or circle-cropped. Do not stretch, recolor, outline or add effects. Minimum size 128 × 128 px.

Colors

	Terracotta	#B5532E	Primary brand color: backgrounds, buttons, logo
	Cream	#F4E9DA	Text and lines on terracotta; soft backgrounds
	Ink	#2B2522	Body text
	Warm gray	#6F665F	Secondary text

Clothing palette in photos: coffee, caramel, oat, cream, burgundy, deep green and black.

Type

Headlines in a classic serif (Georgia or similar). Body text in a clean sans-serif.

Imagery

- Real product photos on clean, light or warm backgrounds; the product is always the hero.
- Show the item exactly as sold: same color, shape and details. Never alter the design.
- Everyday settings (home, city street, office, café), natural light, relaxed poses.
- Avoid: overly sexy poses, heavy filters, busy backgrounds, text baked into photos.

How we talk

Friendly and practical, like a friend giving straight styling advice over coffee. Short sentences. Specific about the outfit, honest about what works.

Sounds like us	Doesn't sound like us
"A fitted knit dress with boots: done in one step."	"OBSESSED with this dress, girlies!!"
"Soft knits and easy fits you'll reach for every day."	"Run, don't walk! Selling out fast!"
"One wardrobe, every part of your day."	"The sexiest dress you'll ever own."
